To receive a *brief* summary of daily indexes by text message, text just the four letters "**PMTF**" to **833-612-1053**. Be sure to spell PMTF correctly or it won't work. These shorter text updates go out about the time of, or shortly after the email updates go out.

NOTE: If you subscribed for PMTF text summaries last season but are not receiving them, type "**unstop**" to the same number. That will restart your messages if you used "**stop**" last season. Unless you do this, texting "**PMTF**" as described above will not work.
